

FINANCIAL POLICY

To reduce our administrative costs and keep our fees as low as possible, we ask that co-payment be made at the time of service

- **We accept** Cash, Checks, visa, MasterCard, Discover, American Express and Debit Cards
- **Pre-Pay Incentive:** We offer a 10% courtesy bookkeeping allowance on complete treatment plans over \$1,500.00 that are paid in full.
- **Financing is Available:** We offer outside financing from two types of credit lenders. Care Credit a dental/medical credit card that offers 90 days same as cash then it will go to a 21% interest rate. Dental Fee Plan is a loan with interest percentage rates at 12.9%. either is available O.A.C.
- **Assignment Of Benefits:** We will bill your insurance as a courtesy. The patient portion of your treatment is due at the time of service. This is an estimate of your portion and the final payment will be determined when we receive final payment from your insurance company. Payment is due in full for treatment, regardless of insurance, **45 days** from the date of service.
- **Secondary Insurance:** We **do not** accept assignment of benefits for secondary coverage. Your **estimated** portion of treatment will be due at the time of service. We will submit your secondary insurance as a courtesy and your secondary will reimburse you directly.

We are here to assist you with any insurance or financial questions you might have, please feel free to ask if you have any questions concerning the above policies.
